

STAR – Chapter 363 Minutes
November 9, 2011
Ground Round Restaurant, Plattsburgh, New York

The meeting was called to order at 7:05pm by President Bud Durland with 8 members in attendance.

Old Business:

Charity Ride for Sheriff's Office for a fallen officer. Scheduled for July 18, 2012 - 40 mile ride. Departure Point will be the American Legion Hall. The ride will end at Peck's in Altona. They are raffling off a Harley Dyna-Glide. We will be responsible for kickstands up to kickstands down. If we are not comfortable with any riders, (i.e. – they've been drinking) we will not allow them to ride.

New Business:

Congratulations to Al and Jody Petrie, who were married on December 2, 2011. It was a cold day, they put on their cold weather gear, and rode their bikes City Hall, where they were married.

Treasurer's Report: We have \$1,122 in our treasury.

Next Season's Rides

We are looking at doing an over-night ride.

One possibility is Gorham, NY – Town and Country Motor Inn – to include a side trip to Mount Washington, in June.

Mothers and Daughters Ride for Breast and Ovarian Cancer – May 18-20, 2012 in Mount Snow, Vermont. (Mark and Ronni went last year and it was fantastic!)

Bud received a flyer from the Grey Ghost Inn in Mount Snow area of Vermont – August 6-8, 2012. Mark volunteered to be the liaison with the organizers if people are interested in attending.

An Amish Dinner was another suggestion

Other rides: the ride committee will start meeting in January or February, 2012. Perhaps meet at Florentino's Restaurant in the mall for breakfast to discuss the ride schedule.

If you have any ideas or suggestions for rides, please e-mail Bud or bring them to the next meeting.

Ride Committee: Bud and Tammy, Al and Judy, Mark and Ronni and Bob and Linda.

Election of Officers:

Last month the following were nominated:

Bud - President, Bob Pelkey - Vice President

The consensus is that all officers should stay in their respective positions.

It was voted unanimously to the above! Yahoo!!!

Health and Welfare:

Bob Duquette came home after being in the hospital for the past 8 days. Bert's C/T Scan showed that the growth from her 1 lung has been spreading to the other

Treasury:

Being that our treasury is rather high, it was suggested that we do something special for some of our members for Christmas.

For the Pelkey Family: a gift for each of the grandchildren and a gift basket for the entire family to enjoy. It was suggested that we spend around \$100.00

For Bob and Bert: get them a digital picture frame and fill it with pictures from our rides, etc. Kari said that they have a spot between their computers that would be ideal for this.

Dinner Ride: December 29th at Mickey (near Georgia Pacific).

50/50: collected \$85 - \$43 was won by Ronni, who donated \$33 of it to Ryder

With no further business – on a motion by Tammy, 2nd by Ronni, the meeting was adjourned at 7:35pm.

Respectfully submitted
Ronni Allard
